YOUR ITEMS.
OUR CARE.

OUR PACKING *Best Practices*

- ✓ Use the right box size for the right items.
- ✓ Wrap fragile items individually.
- ✓ Pack heavy items in small boxes.
- ✓ Fill empty spaces to prevent shifting.
- ✓ Label clearly on multiple sides.
- ✓ Keep an inventory of your boxes.

BATHROOM

- Pack toiletries in a separate bag for easy access.
- Secure bottles with tape or place in zip-top bags.
- Wrap fragile items like mirrors and glass jars carefully.
- Keep cleaning supplies separate and upright.

KITCHEN

- Use small boxes for heavy items like dishes and books.
- Wrap each dish, glass and mug individually.
- Use dish pack boxes with dividers when possible.
- Fill empty spaces with packing paper or bubble wrap.
- Label boxes: "Kitchen - Fragile" and contents.

LIVING ROOM

- Remove cushions and wrap separately.
- Wrap electronics and use original boxes if available.
- Take photos of TV and electronics setup.
- Keep remotes, cords and small parts in a labeled bag and tape it to the item.

BEDROOM

- Pack clothes on hangers in wardrobe boxes.
- Fold and pack clothes in small to medium boxes.
- Wrap mirrors and pictures with bubble wrap.
- Keep bedding and pillows in large bags to save space.

HOME OFFICE

- Back up important files before moving.
- Pack electronics in their original boxes if possible.
- Label cords and cables before disconnecting.
- Keep important documents in a separate, clearly labeled box.

KIDS' ROOM

- Let kids help pack their own items.
- Use small boxes for books, toys and games.
- Label boxes with contents and kid's name.
- Keep a box of their favorites for easy access on moving day.

GARAGE / STORAGE

- Sort items: keep, donate, sell or toss.
- Use sturdy boxes for tools and heavy items.
- Label boxes clearly by category.
- Do not pack hazardous materials or flammable liquids.

PRO TIP

Start packing early and pack a little at a time.
A well-packed box makes a smooth move!
